

Thank you for an amazing year **\$34,000** at Aldrich Public Library!

Thanks to your support, we have served over 100,000 visitors to the Aldrich this year!

Our community uses the library to connect with books and other information, learn through our selection of programs, receive vital services such as low income tax filing assistance and job hunt help, and to simply connect with other friends and neighbors. Thank you for your patronage; we love serving you and are proud to be the "Community Living Room" of Barre.

This work is possible only with your help! If you haven't had a chance to contribute to our annual appeal, it's not too late! Our fiscal year ends on June 30th; please consider visiting the library or going to

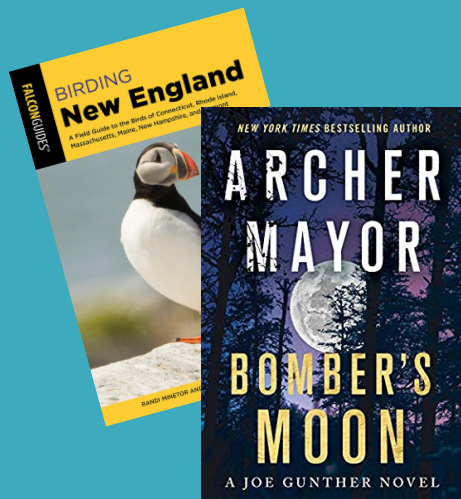

~~AldrichPublicLibrary.org to contribute.~~

**HELP US
REACH
OUR ANNUAL
APPEAL GOAL!**

**\$18,500
ALREADY
RAISED!**

And don't miss out on all the fun still to come this summer!
